### BOOK 2 SLEEVE BY STADY ONE

150

YOUR LOGIC TELLS YOU ONE THING: YOUR IMPULSES TELL YOU ANOTHER. YOUR EMOTIONS MOVE YOU IN YET ANOTHER DIRECTION. AND YOUR HUNGER WANTS SOMETHING ENTIRELY DIFFERENT. SO WHY DO YOU LISTEN TO WITH ALL THESE VOICES TELLING YOU WHAT TO DO? WELL, IT'S NOT ALWAYS CLEAR, ESPECIALLY WHEN YOU'RE NOT IN FULL CONTROL OF YOUR FEELINGS.

WELCOME TO MORGAN'S ORGANS, A STORY SET WITHIN OUR HUMAN ANATOMY. MICROBOSSES LIVE WITHIN THE HUMAN BODY AND ARE RESPONSIBLE FOR THE FUNCTIONING OF OUR USUALLY BODY SYSTEMS. WAIT, I DID THE MATHING FOR YOU! MORGAN'S ORGANS LOOK AT THE BODY AS A SORT OF OFFICE BUILDING, HOME TO A VARIETY OF CHARACTERS WHO OPERATE OUR ORGANS AND ENSURE OUR SURVIVAL. NOT ONLY THAT — THEY INFLUENCE OUR THOUGHTS, OUR ACTIONS AND OUR URGES — BY THE CHOICES THEY MAKE WITHIN US.

BUT WHEN OUR ORGANS HAVE THEIR OWN VOICES, DO THEY REALLY OPERATE WITH THEIR MOST NOBLE IN MIND? OR ARE THEY RULED BY THEIR OWN BASTS AND NEEDS? TOGETHER AS MORGAN BATTLES PRESSURE TO END A VERY HELL IN TEXAS, WE WILL COME TO SEE THAT HUMAN NATURE CAN BE STRANGE, AND THE FORCE THAT DRIVE OUR ACTIONS — EVEN STRANGE.

ENJOY READING WHAT MIGHT REALLY BE GOING ON INSIDE OUR ORGANS!
